(3) The licensed riverboat does not maintain or offer for patron or public use on the vessel or at its terminal, berthing area, or any hotel referred to above, more than eight thousand square feet of restaurant facilities in the aggregate (exclusive of food preparation and handing area).

E. In the event the riverboat referred to in Subsection D of this Section fails to comply with the restrictions in Paragraphs (1), (2), and (3) of Subsection D of this Section, no gaming may be conducted on such licensed riverboat while the riverboat is docked unless the vessel is docked for less than forty-five minutes between excursions and such riverboat cruises in accordance with R.S. 27:65 (B)(1) as in effect January 1, 1997. However, should the master of the riverboat reasonably determine and certify in writing that the weather conditions or the water conditions are such that those conditions, which the master shall specify, present a danger to the riverboat, its passengers, and crew, then the riverboat may remain docked and gaming may take place until such time as the master determines that those conditions have sufficiently diminished to proceed or until the duration of the authorized excursion has expired.

F. If any riverboat license is granted on or after January 1, 1997 for a riverboat to conduct gaming in the parish of the official gaming establishment, no gaming may be conducted on such riverboat while such riverboat is docked unless the vessel is docked for less than forty-five minutes between excursions. However, should the master of the riverboat reasonably determine and certify in writing that the weather conditions or the water conditions are such that those conditions, which the master shall specify, present a danger to the riverboat, its passengers, and crew, then the riverboat may remain docked and gaming may take place until such time as the master determines that those conditions have sufficiently diminished to proceed or until the duration of the authorized excursion has expired.

G. Notwithstanding Subsections (D), (E), and (F) of this Section, if the official gaming establishment is not subject to the amended and renegotiated casino operating contract among the state of Louisiana by and through the Louisiana Gaming Control Board, Harrah's Jazz Company and Jazz Casino Company, L.L.C., effective as of October 30, 1998, or subject to any other an enforceable casino operating contract as defined in R.S. 27:205(6) which contains exclusivity provisions in accordance with R.S. 27:201 et. seq., any riverboat licensed in the parish of the official gaming establishment may conduct gaming activities in compliance with the provisions of Subsection (C) of this Section, without adhering to restrictions set forth in Paragraphs (1), (2), and (3) in Subsection D of this Section.

Section 2. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided in Article III, Section 18 of the Constitution of Louisiana. If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval."

#### AMENDMENT NO. 6

On page 2, after line 11, insert the following:

"Section 3. The provisions of this Act authorizing the mandatory number of cruises or excursions shall be null, void, and of no effect upon final adjournment of the 2000 Regular Session of the Legislature of Louisiana unless the legislature provides by law for an increase in the license fee or franchise fee or the assessment or levy of any new fee or tax which are assessed or levied on net gaming proceeds which increases the aggregate percentage assessed or levied against net gaming proceeds by at least one half of one percent."
