AMENDMENT NO. 6

On page 4, delete lines 11 through 25 in their entirety and delete pages 5 through 12 in their entirety and insert in lieu thereof:

"D. Revenue bonds. The district may issue revenue bonds payable from revenues generated by economic development projects with a pledge and dedication of up to the full amount of sales tax increments annually to be used as a guaranty of any shortfall, or at the option of the district, payable solely from an irrevocable pledge and dedication of up to the full amount of sales tax increments, in an amount to be determined by the district, to finance or refinance all or any part of an economic development project as specified in Subsection P of this Section. For purposes of this Section, a sales tax increment shall consist of that portion of the designated sales tax, hereinafter defined, collected each year on the sale at retail, the use, the lease or rental, the consumption and storage for use or consumption of tangible personal property, and on sales of services, all as defined in R.S. 47:301 et seq., or any other appropriate provision or provisions of law as amended, from taxpayers located within an economic development area which exceeds the sales tax revenues of the designated sales tax that were collected in the year immediately prior to the year in which the area was designated as an economic development area. Dedication of sales tax increments to pay the revenue bonds shall not impair existing obligations and shall not include tax revenues previously dedicated for a special purpose, nor revenues of any sales taxes collected by the state of Louisiana or any political subdivision other than the district.

E. Economic development area. At such time as the district proposes to issue revenue bonds pursuant to this Section, it shall designate the boundaries of the economic development area, hereinafter called the "sales tax area", from which sales tax increments are to be pledged and dedicated to the payment of the revenue bonds. Prior to designating the boundaries of the sales tax area, a notice describing the boundaries of the proposed sales tax area or containing a map showing the boundaries thereof shall be published two times in the official journal of the city of New Orleans.

F. Sales tax dedication. After the designation of the boundaries of the sales tax area, the district shall designate the local sales taxes which are to be used in determining the sales tax increments and the initial annual baseline collection rate for the sales tax area, which shall be the amount of such designated sales taxes collected in the sales tax area in the fiscal year of the district most recently completed prior to the establishment of the sales tax area. In addition, a monthly baseline collection rate shall be determined by dividing the initial annual baseline collection rate by twelve. The initial annual baseline collection rate and the monthly baseline collection rate shall be certified by the chief financial officer or equivalent of the district. The certification shall also be published one time in the official journal of the city of New Orleans. If the amounts of the initial annual baseline collection rate and the monthly baseline collection

rate are not contested within thirty days after the said publication, then such amounts shall be conclusively presumed to be valid, and no court shall have any jurisdiction to alter or invalidate the designation of the amount of either the initial annual baseline collection rate or the monthly baseline collection rate.

G. Pledged sales taxes. The increment of the designated sales taxes which are to be pledged and dedicated to the payment of the revenue bonds shall be the amount of the designated sales taxes which are collected in the sales tax area each year in excess of the initial annual baseline collection rate. Such pledged sales tax increment may include all or any portion of the said excess, as may be determined by the district issuing the revenue bonds.

H. Payment. All sales tax increment revenue bonds issued hereunder shall be payable semiannually as to interest and annually as to principal and may be issued in series from time to time on a parity with any other revenue bonds issued by the district and payable from the same pledged sales tax increment. Upon the issuance of the revenue bonds, the district shall establish a sinking fund to be used to accumulate monies for the payment of principal and interest on the revenue bonds and a debt service reserve fund in such amount as may be deemed necessary by the district to allow the revenue bonds to be marketed at reasonable interest rates. The sinking fund and reserve fund shall be established and maintained for as long as the revenue bonds are outstanding with a bank or trust company located in the state, pursuant to a written trust agreement between the district and the bank or trust company.

I. Maturity. The maturities of the revenue bonds shall be arranged in such a manner that the total amount of principal and interest falling due in any calendar year shall never exceed seventy-five percent of the amount of the pledged sales tax increment estimated by the governing authority of the district to be received in the first full calendar year after the economic development project has been completed.

J. Notice. Upon the issuance of revenue bonds payable from or backed by the pledged sales tax increment, the district shall provide notice thereof to the collector of any local sales taxes included in the designated sales taxes and shall provide the collector with a schedule showing the annual debt service requirements on the revenue bonds and a schedule showing the monthly sinking fund payment for each month during which the revenue bonds are to be outstanding. The monthly sinking fund payment for each month shall be an amount equal to one-sixth of the interest payable on the revenue bonds on the next succeeding interest payment date and one-twelfth of the principal of the revenue bonds maturing on the next succeeding principal payment date, together with any adjustments to the account for a period before the interest payment which is not equal to six months or a period before the first principal payment which is not equal to twelve months.

K. Collector. Not later than the twentieth day of each calendar month, the collector of any local sales taxes included in the designated sales taxes shall determine the amount of the revenues of the designated sales taxes in the sales tax area collected during the preceding calendar month in excess of the monthly baseline collection rate, and the portion of such excess that constitutes the pledged sales tax increment, and shall transfer a ratable amount equal to the lesser of the monthly sinking fund payment or the pledged sales tax increment to the sinking fund. In the event that the pledged sales tax increment for any month is less than the monthly sinking fund payment for such month, then any shortfall shall be made up in subsequent months to the extent that incremental revenues are available for that purpose. After each annual principal payment, the district shall use excess monies in the sinking fund, if any, as a credit

against monthly sinking fund deposits in the next year or to prepay or purchase or for the defeasance of outstanding bonds.

L. Shortfalls. Notwithstanding any other provisions of this Chapter, in the event the district pledges sales tax increments to be used as a guaranty of any shortfall existing from any other revenues pledged to secure revenue bonds issued under authority of this Section, such sales tax increments shall be deposited, not into a sinking fund, but into a debt service reserve fund, on the same basis and with the same frequency described in Subsections F and G of this Section only until amounts in the debt service reserve fund equal three years of the average principal and interest due on the bonds for the term of the bonds. After funding the debt service reserve fund to the level stated, and for so long as the debt service reserve fund remains funded at that level, the collector of local sales taxes shall treat any sales tax increments collected in the same manner as any other sales tax collected. If the debt service reserve fund has fallen below the stated amount, the collector shall, to the extent possible, transfer sales tax increments collected to the debt service reserve fund, in order to maintain such fund at the appropriate level. After payment in full of any bonds secured by a pledge of sales tax increments to be used to guaranty any shortfall existing from any other revenues pledged to secure bonds, any amounts remaining in the debt service reserve fund shall be transferred to the district and be deposited in a special fund to be created and used to promote other economic development opportunities.

M. Additional powers. The powers and rights conferred by this Section shall be in addition to the powers and rights conferred by any other general or special law. This Section, and any provisions of this Chapter not inconsistent therewith, does and shall be construed to provide a complete and additional method for the issuance of revenue bonds secured by a pledge of sales tax increments. No election, proceeding, notice, or approval shall be required for the issuance of any revenue bonds secured by a pledge of sales tax increments except as provided herein. The provisions of this Section shall be liberally construed for the accomplishment of its purposes.

N. District powers. The district may propose to carry out the purposes of this Chapter without the necessity of creating and organizing an economic development corporation and shall have all of the powers, rights, duties, and obligations of such a corporation under this Chapter and may do any act or take any action which such a corporation is authorized to do under this Chapter. However, the requirements of R.S. 33:9023 through 9026 shall not be deemed to apply.

O. Publication. A copy of the instrument authorizing the issuance of bonds hereunder shall be published immediately after its adoption in one issue of the official journal of the city of New Orleans. For thirty days after the date of publication, any person in interest may contest the legality of such document, any provision of the bonds, the provisions therein made for the security and payment of the bonds, and validity of all other provisions and proceedings relating to the authorization and issuance of the bonds. After the expiration of such period, no person may contest the regularity, formality, legality, or effectiveness of the document, any provisions of the bonds to be issued pursuant thereto, the provisions for the security and payment of the bonds, and the validity of all other provisions and proceedings relating to their authorization and issuance, for any cause whatever. Thereafter, it shall be conclusively presumed that the bonds, the legal documents providing for the bonds, and all security for the bonds is legal and that every legal requirement for the issuance of the bonds has been complied with. No court shall have authority to inquire into any of these matters after the aforementioned publication period.

P. Economic development projects. For the purposes of this Section, the term "economic development project" shall mean and include, without limitation, any and all projects suitable to any industry determined by the district or, as appropriate, the issuers of revenue bonds, to create economic development. Economic development projects shall include, without limitation, the following industries:

- (1) Industrial, manufacturing, and other related industries.
- (2) Housing and related industries.
- (3) Hotel, motel, and related industries.
- (4) Commercial, retail, and related industries.
- (5) Amusement, places of entertainment, theme parks, and any other tourism related industry.
- (6) Transportation related industries.
- (7) Hospital, medical, health, nursery care, nursing care, clinical, ambulance, laboratory, and related industries.
- (8) Any other industry determined by the district or issuer of revenue bonds, as appropriate, whose assistance will result in economic development.

Section 2. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided in Article III, Section 18 of the Constitution of Louisiana. If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval."

On motion of Rep. Bruce, the amendments were adopted.

On motion of Rep. Broome, the bill, as amended, was ordered engrossed and passed to its third reading.

AMENDMENT NO. 2

On page 1, after line 6 delete the remainder of the page, delete pages 2 through 11, both inclusive and in their entirety, and insert in lieu thereof the following:

"Section 1. Part XXXI-A of Chapter 1 of Title 22 of the Louisiana Revised Statutes of 1950, comprised of R.S. 22:1481 through 1494, is hereby enacted to read as follows:

PART XXXI-A. USE OF CREDIT INFORMATION

§1481. Purpose

The purpose of this Part is to regulate the use of credit information for personal insurance so that consumers are afforded certain protections with respect to the use of such information.

§1482. Scope

This Part applies to personal insurance and not to commercial insurance. For purposes of this Part, "personal insurance" means private passenger automobile, homeowners, motorcycle, mobile home owners, and noncommercial dwelling fire insurance policies and boat, personal watercraft, snowmobile, and recreational vehicle policies. Such policies must be individually underwritten for personal, family, or household use. No other type of insurance shall be included as personal insurance for the purposes of this Part.

§1483. Definitions

For the purposes of this Part, the following terms shall have the following meanings:

(1) "Adverse action" means a denial or cancellation of, an increase in any charge for, or a reduction or other adverse or unfavorable change in the terms of coverage or amount of any insurance, existing or applied for, in connection with the underwriting of personal insurance.

(2) "Affiliate" means any company that controls, is controlled by, or is under common control with another company.

(3) "Applicant" means any individual who has applied to be covered by a personal insurance policy with an insurer.

(4) "Consumer" means an insured whose credit information is used or whose insurance score is calculated in the underwriting or rating of a personal insurance policy or an applicant for such a policy.

(5) "Consumer reporting agency" means any person which, for monetary fees, dues, or on a cooperative nonprofit basis, regularly engages in whole or in part in the practice of assembling or evaluating consumer credit information or other information on consumers for the purpose of furnishing consumer reports to third parties.

(6) "Credit information" means any credit-related information derived from a credit report, found on a credit report itself, or provided on an application for personal insurance. Information that is not credit related shall not be considered "credit information", regardless of whether it is contained in a credit report or in an application, or is used to calculate an insurance score.

(7) "Credit report" means any written, oral, or other communication of information by a consumer reporting agency bearing on a consumer's credit worthiness, credit standing, or credit capacity which is used or expected to be used or collected in whole or in part for the purpose of serving as a factor to determine personal insurance premiums, eligibility for coverage, or tier placement.

(8) "Insurance score" means a number or rating that is derived from an algorithm, computer application, model, or other process that is based in whole or in part on credit information for the purposes of predicting the future insurance loss exposure of an individual applicant or insured.

§1484. Use of credit information

An insurer authorized to do business in Louisiana that uses credit information to underwrite or rate risks shall not:

(1) Use an insurance score that is calculated using income, gender, address, zip code, ethnic group, religion, marital status, or nationality of the consumer as a factor.

(2) Deny, cancel, or nonrenew a policy of personal insurance solely on the basis of credit information, without consideration of any other applicable underwriting factor independent of credit information and not expressly prohibited by Paragraph (1) of this Section.

(3) Base an insured's renewal rates for personal insurance solely upon credit information, without consideration of any other applicable factor independent of credit information.

(4) Take an adverse action against a consumer solely because he does not have a credit card account or other credit history, without consideration of any other applicable factor independent of credit information.

(5) Consider an absence of credit information or an inability to calculate an insurance score in underwriting or rating personal insurance, unless the insurer does one of the following:

(a) Treats the consumer as otherwise approved by the commissioner, if the insurer presents information that such an absence or inability relates to the risk by the insurer.

(b) Treats the consumer as if the applicant or insured had neutral credit information, as defined by the insurer.

(c) Excludes the use of credit information as a factor and uses only other underwriting criteria.

(6) Takes an adverse action against a consumer based on credit information, unless an insurer obtains and uses a credit report issued or an insurance score calculated within ninety days from the date the policy is first written or renewal is issued.

(7) Uses credit information unless not later than every thirty-six months following the last time that the insurer obtained current credit information for the insured, the insurer recalculates the insurance score or obtains an updated credit report. Regardless of the requirements of this Paragraph:

(a) At annual renewal, upon the request of a consumer or the consumer's agent, the insurer shall re-underwrite and re-rate the policy based upon a current credit report or insurance score. An insurer need not recalculate the insurance score or obtain the updated credit report of a consumer more frequently than once in a twelve-month period.

(b) The insurer shall have the discretion to obtain current credit information upon any renewal before thirty-six months, if consistent with its underwriting guidelines.

(c) No insurer need obtain current credit information for an insured, notwithstanding the requirements of Subparagraph (a) of this Paragraph, if one of the following applies:

(i) The insurer is treating the consumer as otherwise approved by the commissioner.

(ii) The insured is in the most favorably priced tier of the insurer or group of affiliated insurers; however, the insurer shall have the discretion to order such report, if consistent with its underwriting guidelines.

(iii) Credit was not used for underwriting or rating such insured when the policy was initially written; however, the insurer shall have the discretion to use credit for underwriting or rating such insured upon renewal, if consistent with its underwriting guidelines.

(iv) The insurer reevaluates the insured beginning no later than thirty-six months after inception and thereafter based upon other underwriting or rating factors, excluding credit information.

(v) The insurer provides a documented offer to the insured on an annual basis of the insured's right to voluntarily request that their insurance credit score be rerun and reevaluated based on the current information available at the time of the insured's request.

(d) For personal policies in place prior to the effective date of this Part, the insurer shall begin reevaluating renewal policies in compliance with this Section no later than thirty-six months from the said effective date, unless otherwise requested in accordance with Subparagraph (a) of this Paragraph or otherwise not required under Subparagraph (c) of this Paragraph.

(8) Use the following as a negative factor in any insurance scoring methodology or in reviewing credit information for the purpose of underwriting or rating a policy of personal insurance:

(a) Credit inquiries requested by the consumer for his own credit information, or inquiries not initiated by the consumer, including promotional inquiries, periodic inquiries by existing credit providers, and credit system administration inquiries.

(b) Inquiries relating to insurance coverage, if so identified on a consumer's credit report.

(c) Collection accounts with a medical industry code, if so identified on the consumer's credit report.

(d) Multiple lender inquiries, if coded by the consumer reporting agency on the consumer's credit report as being from the home mortgage industry and made within thirty days of one another, unless only one inquiry is considered.

(e) Multiple lender inquiries, if coded by the consumer reporting agency on the consumer's credit report as being from the automobile lending industry and made within thirty days of one another, unless only one inquiry is considered.

(f) The extension of available credit in excess of what the insurer deems reasonable, when the consumer has an otherwise acceptable credit history and does not present an increased underwriting or rating risk.

(9) Create disparities between underwriting tier placement between different lines of personal insurance for the same applicant solely on the basis of credit information unless actuarially justified, without consideration of any other applicable underwriting factor independent of credit information and not expressly prohibited by Paragraph (1) of this Section.

§1485. Dispute resolution and error correction

If it is determined through the dispute resolution process set forth in the federal Fair Credit Reporting Act, 15 U.S.C. 1681(i)(a)(5) that the credit information of a current insured was incorrect or incomplete and if the insurer receives notice of such determination from either the consumer reporting agency or from the insured, the insurer shall re-underwrite and re-rate the consumer within thirty days of receiving the notice. After re-underwriting or re-rating the insured, the insurer shall make any adjustments necessary, consistent with its underwriting and rating guidelines. If an insurer determines that the insured has overpaid premium, the insurer shall refund to the insured the amount of overpayment calculated back to the shorter of either the last twelve months of coverage or the actual policy period.

§1486. Appeals of underwriting or rates

Insurers using credit information to underwrite or rate risks shall provide a process for the consumer to appeal the underwriting or rating of risks for which credit scoring may be an inappropriate factor. Nothing in this Section shall be construed to provide a consumer or other insured with a cause of action that does not exist in the absence of this Section.

§1487. Exemptions from the use of credit information

Insurers shall provide reasonable exemptions from the use of credit information in underwriting or rating risks if the consumer can clearly demonstrate that his credit history is unduly influenced by a medical crisis, death of a spouse, identity theft, the personal guaranty of a business loan, or a catastrophic event as deemed by the commissioner of insurance. Nothing in this Section shall be construed to provide

a consumer or other insured with a cause of action that does not exist in the absence of this Section.

§1488. Initial notification

A. If an insurer writing personal insurance uses credit information in underwriting or rating a consumer, the insurer or its agent shall disclose, either on the insurance application or at the time the insurance application is taken, that it may obtain credit information in connection with such application. Such disclosure shall be either written or provided to an applicant in the same medium as the application for insurance. The insurer need not provide the disclosure statement required under this Section to any insured on a renewal policy, if such consumer has previously been provided a disclosure statement.

B. Use of the following example disclosure statement constitutes compliance with this Section: "In connection with this application for insurance, we may review your credit report or obtain or use a credit-based insurance score based on the information contained in that credit report. We may use a third party in connection with the development of your insurance score."

§1489. Adverse action notification

If an insurer takes an adverse action based upon credit information, the insurer must meet the notice requirements of this Section. Such insurer shall:

(1) Provide notification to the consumer that an adverse action has been taken in accordance with the requirements of the federal Fair Credit Reporting Act, 15 U.S.C. 1681m(a).

(2) Provide notification to the consumer explaining the reason for the adverse action. The reasons shall be provided in sufficiently clear and specific language so that a person can identify the basis for the insurer's decision to take an adverse action. Such notification shall include a description of up to four factors that were the primary influences of the adverse action. The use of generalized terms such as "poor credit history", "poor credit rating", or "poor insurance score" does not meet the explanation requirements of this Section. Standardized credit explanations provided by consumer reporting agencies or other third-party vendors are deemed to comply with this Section.

§1490. Filing

A. Insurers that use insurance-related scoring systems to underwrite and rate risks shall file their scoring models or other scoring processes with the Department of Insurance. A third party may file scoring models on behalf of insurers. A filing that includes insurance scoring may include loss experience justifying the use of credit information.

B. Any filing relating to credit information is considered a trade secret under R.S. 51:1431.

§1491. Indemnification

A. An insurer shall indemnify, defend, and hold producers harmless from and against all liability, fees, and costs arising out of or relating to the actions, errors, or omissions of a producer who obtains or uses credit information or insurance scores for an insurer, provided the producer follows the instructions of or procedures established by the insurer and complies with any applicable law or regulation.

B. An insurer or credit information provider shall not require a producer to indemnify or hold them harmless, except to the extent of the producer's negligent failure to comply with procedures established by the insurer or credit information provider. An insurer shall not evaluate or compensate a producer based upon the customer credit scores submitted by the producer. An insurer using credit information for underwriting or rating purposes shall provide appropriate training to its producers.

C. Nothing in this Section shall be construed to provide a consumer, agent, or other insured with a cause of action that does not exist in the absence of this Section.

§1492. Sale of policy term information by consumer reporting agency

A. No consumer reporting agency or insurer shall provide or sell dates or lists that include any information that in whole or in part was submitted in conjunction with an insurance inquiry about a consumer's credit information or a request for a credit report or insurance score. Such information includes but is not limited to the expiration dates of an insurance policy or any other information that may identify time periods during which a consumer's insurance may expire and the terms and conditions of the consumer's insurance coverage.

B. The restrictions provided in Subsection A of this Section do not apply to data or lists the consumer reporting agency or insurer supplies to the insurance producer from whom information was received, the insurer on whose behalf such producer acted, or such insurer's group, affiliates, or holding companies.

C. Nothing in this Section shall be construed to restrict any insurer from being able to obtain a claims history report or a motor vehicle report.

§1493. Severability

If any portion of this Part is declared invalid due to an interpretation of or a future change in the federal Fair Credit Reporting Act, the remaining parts thereof shall be in no manner affected thereby but shall remain in full force and effect.

§1494. Applicability

This Part shall apply to personal insurance policies either written to be effective or renewed on or after nine months from the effective date of this Part."
