"D. After receiving recommendations from the council, the Wildlife and Fisheries Commission shall consider the council's recommendations at one of its monthly meetings or at a special meeting called for that purpose. After considering the recommendations of the council, the commission shall determine if a recommended species is suitable for aquaculture. If the commission determines suitability for aquaculture, it shall adopt a rule to that effect and, in addition, adopt rules and regulations it deems reasonable or necessary to prevent the species from having a detrimental impact on the natural resources of the state. Any such rule or regulation shall be adopted in accordance with the Administrative Procedure Act. However, any such rule or regulation promulgated by the commission may be promulgated in accordance with the procedures in R.S. 49:953(B). No species shall be authorized as suitable for aquaculture and deemed aquatic livestock except by rules and regulations promulgated by the commission or, if the commission fails to act within ninety days following the submission of the council's report, by the commissioner as provided in Subsection E of this Section. Those species which have been previously approved for aquaculture as of the effective date of this Act shall continue to be approved under the rules and regulations in effect at the time of their approval and shall be deemed to be aquatic livestock; however, the appropriate regulatory authority may amend said rules and regulations as appropriate and in the best interest of the state.

E. Within ninety days after submission of the council's report, the commission shall take action on the report. Such action may include approval of the council's recommendations, approval with

modifications to the recommendations, or rejection of the council's recommendations. If the commission fails to take any action within ninety days, the commissioner may proceed with submitting a notice of intent for the proposed rule to the Louisiana Register. If the commission approves the council's recommendations as transmitted and proceeds to adopt rules and regulations in accordance with Subsection D of this Section, then the commissioner may proceed with rulemaking regarding that species. In no instance shall the rules and regulations promulgated by the commissioner lessen the requirements imposed by the commission or provide for a waiver thereof. If the commission's action modifies in any way or rejects the council's recommendations, the commissioner and the secretary of the Department of Wildlife and Fisheries shall jointly decide whether to accept the commission's action. If the commissioner and secretary decide not to accept the commission's action, the commissioner and secretary shall jointly present a revised recommendation to the commission, at which time the commission may accept the revised recommendation as presented or with modifications, or may reject the revised recommendation. If the commission accepts the joint revised recommendation of the commissioner and secretary, the commissioner may proceed with rulemaking for the species. If the commissioner and secretary accept the action of the commission, the commissioner may proceed with rulemaking for that species. If the commissioner and secretary cannot agree on a revised recommendation, then the matter may be referred back to the commission for reconsideration. There shall be no limit on the number of times the commission may consider recommendations regarding a particular species from the council or the commissioner or secretary. Notwithstanding any other law to the contrary, the council, commissioner, or secretary may seek judicial review of the commission's action in the Nineteenth Judicial District Court, but only after the recommendation has been submitted to the commission not less than three times."

"§4720.72. Definitions

The following terms whenever used or referred to in this Chapter shall have the following meaning unless a different meaning is clearly indicated in the context:

(1) "Area of operation" means the area within the corporate limits of the municipality.

(2) "Authority" or "New Orleans Redevelopment Authority" means the public agency created pursuant to R.S. 33:4720.55.

(3) "Blighted area" means an area which by reason of the presence of a substantial number of slum, deteriorated or deteriorating structures, predominance of defective or inadequate street layout, faulty lot layout in relation to size, adequacy, accessibility, or usefulness, unsanitary or unsafe conditions,

deterioration of site or other improvements, diversity of ownership, tax or special assessment delinquency exceeding the fair value of the land, defective or unusual conditions of title, or the existence of conditions which endanger life or property by fire and other causes, or any combination of such factors, substantially impairs or arrests the sound growth of the municipality, retards the provision of housing accommodations or constitutes an economic or social liability and is a menace to the public health, safety, morals, or welfare in its present condition and use; but if the area consists of any disaster area referred to in R.S. 33:4720.57(F), it shall constitute a "blighted area".

(4) "Bonds" means any bonds including refunding bonds, notes, interim certificates, certificates of indebtedness, debenture, or other obligation.

(5) "City's comprehensive plan" means that plan defined in R.S. 33:101 through 119.

(6) "Clerk of council" means the official of the city who is the custodian of the official records of the local governing body.

(7) "Community improvement area" means a slum area or a blighted area or a combination thereof which the local governing body designates as appropriate for a community improvement project.

(8) "Community improvement plan" means a general plan, as it exists from time to time for a community improvement project, which plan shall conform to the general plan for the municipality as a whole except as provided in R.S. 33:4720.57(E) and shall delineate the community improvement area affected thereby. It shall be sufficient for the plan, for each community improvement area, to contain a general description of those matters proposed to be carried out in the community improvement area, such as any or all of the following: land acquisitions, demolition and removal of structures, redevelopment, improvements, rehabilitation, zoning and planning changes, if any, land uses, population densities, or building requirements. Detailed, particularized proposals for the implementation of all or any portion of a community improvement plan shall be deemed modification of the plan, within the meaning of R.S. 33:4720.57(E). The foregoing definition, as herein amended, shall apply to any community improvement plan heretofore or hereafter approved pursuant to R.S. 33:4720.57.

(9) "Community improvement project" means undertakings and activities for the elimination and for the prevention of the development or spread of slums and blight and may involve slum clearance and redevelopment in a community improvement area, or rehabilitation or conservation in a community improvement area, or a program of code enforcement in a community improvement area, and may include open land which, because of its location and/or situation, is necessary for sound community growth which is to be developed by replatting and planning, or any combination or part thereof in accordance with a community improvement plan. Such undertakings and activities may include:

(a) Acquisition of a slum or blighted area or portion thereof.

(b) Demolition and removal of buildings and improvements.

(c) Installation, construction, or reconstruction of streets, utilities, parks, playgrounds, and other improvements necessary for carrying out in the community improvement area the redevelopment objectives of this Chapter in accordance with the community improvement plan.

(d) Disposition of any property acquired in the community improvement area, including sale, initial leasing, or retention by the

agency itself, at its fair market value for uses in accordance with the community improvement plan.

(e) Carrying out plans for a program of code enforcement and a program of voluntary or compulsory repair and rehabilitation of buildings or other improvements in accordance with the community improvement plan.

(f) Acquisition of real property in the community improvement area which, under the community improvement plan, is to be repaired or rehabilitated for dwelling use or related facilities, repair or rehabilitation of the structures, and resale of the property.

(g) Acquisition of any other real property in the community improvement area where necessary to eliminate unhealthful, unsanitary, or unsafe conditions, lessen density, eliminate obsolete or other uses detrimental to the public welfare, or otherwise to remove or prevent the spread of blight or deterioration, or to provide land for needed public or quasi public facilities.

(h) Acquisition, without regard to any requirement that the area be a slum or blighted area, of air rights in an area consisting principally of land in highways, railways or subway tracks, bridges, drainage canals, waterways, levees, wharves, warehouses, docks, tunnel entrances, or other similar facilities which have a blighting influence on the surrounding area and over which air rights sites are to be developed for the elimination of such blighting influences and for the provision of improvements and related facilities and uses set forth in the community improvement plan.

(i) Construction of foundations and platforms necessary for the provision of air rights sites for improvements and related facilities and uses set forth in the community improvement plan.

(j) The preservation of historic structures or locations within a project area by removing deleterious surroundings.

(k) Relocating within the project area a structure which the authority determines to be of historic value and which will be disposed of to a public body or private nonprofit organization which will renovate and maintain such structure for historic purposes.

(10) "Families of low income" means those families or persons, as defined in R.S. 40:384, whose income is less than the amount determined by the Housing Authority of New Orleans to be necessary to enable them without financial assistance to live in decent, safe, and sanitary dwellings without overcrowding.

(11) "Federal government" means a department, agency or instrumentality, corporate or otherwise, of the United States of America.

(12) "Local governing body" means the council charged with governing the city of New Orleans.

(13) "Local option" means the option and discretion of the local governing body.

(14) "Mayor" means the officer having the duties customarily imposed upon the executive head of the municipality.

(15) "Municipality" means the city of New Orleans.

(16) "Obligee" means any bondholder, agent, or trustee for any bondholder or lessor demising property used in connection with any community improvement project, or any assignee, or assignees of such lessor's interest or any part thereof, and the federal government when it is a party to any contract with the agency.

(17) "Person" means any individual, firm, partnership, corporation, company, association, joint stock association, or body politic and shall include any trustee, receiver, assignee, or other person acting in a similar representative capacity.

(18) "Public body" means the state and any parish or municipality and any board, commission, authority, agency, district, subdivision or department, agency, instrumentality, corporate or otherwise, of the foregoing.

(19) "Real property" means all lands, including improvements and fixtures thereon, and property of any nature appurtenant thereto or used in connection therewith, and every estate, interest, right or use, legal or equitable, therein, including terms for years and liens by way of judgment, mortgage, or otherwise.

(20) "Related activities" means planning work for the preparation of a general neighborhood renewal plan or for the preparation or completion of a communitywide plan or program and the functions related to the acquisition and disposal of real property pursuant to R.S. 33:4720.56(4).

(21) "Slum area" means an area in which there is a predominance of buildings or improvements, whether residential or nonresidential, which by reason of dilapidation, deterioration, age or obsolescence, inadequate provision for ventilation, light, air, sanitation, or open space, high density of population and overcrowding, or the existence of conditions which endanger life or property by fire and other causes, or an area of open land which, because of its location and/or situation within the city limits, is necessary for sound community growth, by replatting and planning and development, or any combination of such factors is conducive to ill health, transmission of disease, infant mortality, juvenile delinquency, or crime, and is detrimental to the public health, safety, morals, or welfare.

Section 2. Act No. 170 of the 1968 Regular Session, as amended, and all Acts that amended such Act, including Act No. 299 of the 1972 Regular Session, Act Nos. 571 and 572 of the 1980 Regular Session, Act No. 155 of the 1984 Regular Session, Act Nos. 65 and 135 of the 1994 Third Extraordinary Session, Act Nos. 30 and 375 of the 1995 Regular Session, Act No. 101 of the 1997 Regular Session, and Act Nos. 266 and 968 of the 2003 Regular Session, are hereby repealed in their entirety."
