or division in the civil and criminal district courts of Orleans Parish in existence prior to the enactment of Act 621 of the 2006 Regular Session of the Louisiana Legislature."

AMENDMENT NO. 6

On page 8, after line 17, insert the following:

"Section 2. Legislative Findings

Prior to the 2006 Regular Session, the judges of the Orleans Parish juvenile Court were elected to staggered terms every two years. No other Louisiana district judges of the same court are elected to staggered terms. To remove this anomaly dating from the Constitution of 1921 and to achieve uniformity in the election of the judges of the Orleans Parish Juvenile Court, the legislature enacted R.S. 13:621.44 to, among other things, provide a uniform election date for the Orleans Parish Juvenile Court.

In view of the recent court ruling calling into question the validity of Act 621 of the 2006 Regular Session, which established R.S. 13:621.44, the legislature finds that the uniformity of election dates for the judges of the Orleans Parish Juvenile Court is an important legislative goal independent of the contested provisions of Act 621. And further noting that the Louisiana Constitution of 1974 bars the reduction of a judge's term while in office, the only constitutional method to accomplish the goal of a uniform election date is to extend the terms of the judges now in office to the same date. For these reasons, the legislature hereby amends and reenacts R.S. 13:621.44(A)."

"§1130.6. Deceptive caller identification information; prohibition

A. No person, for the purpose of supporting, opposing, or otherwise influencing the nomination or election of a person to public office, shall authorize or approve any call, or cause any call to be made, which the person knows or reasonably should know will include or will be transmitted with deceptive caller identification information.

B. For purposes of this Section, the following terms shall have the following meanings:

(1) "Caller identification information" means information provided to an end user by a caller identification service regarding the telephone number of, or other information regarding the origination of, a call made using a telecommunications service.

(2) "Caller identification service" means any service or device designed to provide the user of the service or device with the telephone number of, or other information regarding the origination of, a call made using a telecommunications service.

(3) "Deceptive caller identification information" is caller identification information that falsely indicates that the call originated with a particular candidate or a committee or agent of a particular candidate.

(4) "Telecommunications service" shall have the meaning provided in R.S. 47:301(29)(x). "Telecommunications service" shall include but not be limited to a Voice over Internet Protocol service.

(5) "Voice over Internet Protocol service" means a service that provides real-time voice communications transmitted through end user equipment using TCP/IP protocol or a successor protocol, that is offered to the public or to such classes of users as to be effectively available to the public, and that has the capability to originate traffic to or terminate traffic from the public switched telephone network."

On motion of Rep. Tim Burns, the amendments were adopted.
