* * *

Section 7. Funds to pay costs of the project and bridges shall be obtained from the proceeds of bonds authorized hereby and from the sources and methods described in Subsections A, B, B.1, and C hereof.

* * *

B.1. Ratification of dedication of State Highway Fund No. 2; authorization of revenue bonds

(1) The Louisiana Legislature does hereby ratify and confirm the dedication of State Highway Fund No. 2 monies to the Mississippi River Bridge Authority for the payment of its bonds, which is authorized by and remains in effect under the Constitution of Louisiana, and which shall remain in effect until all revenue bonds authorized by this Act have been paid in full or defeased. For the purpose of revenue bonds authorized by this Act, authority is hereby granted to pledge such State Highway Fund No. 2 monies for the payment of the bonds.

(2) The secretary of the Louisiana Department of Transportation and Development, hereinafter referred to as "department", is authorized on behalf of the Mississippi River Bridge Authority to issue bonds, notes, certificates, or other evidences of indebtedness, hereinafter collectively referred to as "bonds" or "revenue bonds", in an amount not to exceed fifty million dollars to fund costs of the Crescent City Connection Project as such project is defined in Section 1(10)(b) of this Act, and for such purpose may pledge monies from State Highway Fund No. 2 which are dedicated in the Constitution of Louisiana to the Mississippi River Bridge Authority and payment of the principal and interest of its bonds. The secretary is authorized to take any and all action necessary to effectuate the sale of the revenue bonds authorized herein. Any bonds issued pursuant to the provisions of this Section shall constitute revenue bonds under Article VII, Section 6 of the Constitution of Louisiana.

(3)(a) Bonds issued under the provisions of this Section shall not be deemed to constitute a pledge of the full faith and credit of the state or of any political subdivision or governmental unit thereof. All such bonds shall contain a statement on their face substantially to the effect that neither the full faith and credit of the state nor the full faith and credit of any public entity of the state are pledged to the payment of the principal of or the interest on such bonds. The issuance of bonds under the provisions of this Section shall not directly, indirectly, or contingently obligate the state or any political subdivision or governmental unit of the state to levy any taxes whatsoever therefor or to make any appropriation for their payment.

(b) Except for the provisions of R.S. 39:1367(E)(2) and Subparagraph (4) of this Subsection, the issuance of the bonds shall not be subject to any limitations, requirements, or conditions contained in any other law, and bonds may be issued without obtaining the approval of any political subdivision of the state or of any agency, commission, or instrumentality of the state.

(4) The revenue bonds shall be authorized by executive order of the governor, and issued in the name of the department pursuant to resolution or resolutions executed by the secretary of the department. The revenue bonds shall bear interest at such rate or rates, be executed in such manner, be payable at such place or places as the resolution or resolutions may provide. Such resolution or resolutions shall fix all details of the bonds including their date, form, terms, repayment schedule, registration and redemption features, and the rights and remedies of the bondholders. The bonds shall be subject to approval by the State Bond Commission. The State Bond Commission is authorized to sell the bonds at public sale by competitive bid or negotiated private sale at such price as the commission shall determine.

(5) The following provisions are applicable to revenue bonds issued under the authority of this Section:

(a) Any pledge of revenues, securities, and other monies made pursuant to this Section shall be valid and binding from the time when the pledge is made. The revenues, securities, and other monies so pledged and then held or thereafter received by the department or any fiduciary shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of

any such pledge shall be valid and binding as against all parties having claims of any kind in contract, tort, or otherwise against the authority, whether or not such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the official minutes of the State Bond Commission.

(b) All revenue bonds issued pursuant to this Section shall be and are hereby made negotiable instruments within the meaning of and for all of the purposes of the commercial laws of Louisiana.

(c) All revenue bonds and the income therefrom shall be exempt from all taxation by the state or any political subdivision thereof and may or may not be exempt for federal income tax purposes. The bonds shall be legal and authorized investments for banks, savings banks, trust companies, building and loan associations, insurance companies, fiduciaries, trustees and guardians. The bonds shall be eligible to secure the deposit of any public monies of the state and its political subdivision as lawful and sufficient security for such deposits to the extent of their value.

(d) The holders of any revenue bonds issued pursuant to this Section shall have such rights and remedies as may be provided in the resolution or trust agreement authorizing the issuance of the bonds, including but not by way of limitation, appointment of a trustee for bondholders, and any other available civil action to compel compliance with the terms and provisions of the bonds and the resolution or trust agreement.

(e) Subject to the agreements with the holders of bonds, all proceeds of bonds and all revenues pledged under a resolution or trust agreement authorizing or securing such bonds shall be deposited and held in trust in a fund or funds separate and apart from all other monies in the state treasury or of the department. Subject to the resolution or trust agreement, the trustee shall hold the same for the benefit of the holders of the bonds for the application and disposition thereof solely to the respective uses and purposes provided in such resolution or trust agreement.

(f) For a period of thirty days after the date of publication of intent to issue bonds in the official journal of the state authorizing the issuance of revenue bonds hereunder, any person in interest shall have the right to contest the legality of the bond issue for any cause, but after that time no one shall have any cause or right of action to contest the legality of the resolution, or the bonds or the security therefor for any cause whatsoever. If no suit, action, or proceeding is begun contesting the validity of the resolution, the revenue bonds or the security therefor within the thirty day time period, the authority to issue the bonds and to provide for the payment thereof, the legality thereof, and all of the provisions of the resolution authorizing the issuance of the bonds shall be conclusively presumed to be legal and shall be incontestable. Any notice of intent so published shall set forth in reasonable detail the purpose of the revenue bonds, the security therefor, and the parameters of amount, duration, and interest rates. Any suit to determine the validity of bonds issued by the department shall be brought only in accordance with the provisions of R.S. 13:5121, et seq.

Section 3. Section 1(10) of Act 402 of the 1976 Regular Session of the Louisiana Legislature, as amended by Act No. 204 of the 1980 Regular Session of the Louisiana Legislature, Act No. 329 of the 1981 Regular Session of the Legislature, Act No. 522 of the 1984 Regular Session of the Legislature, Act No. 762 of the 1988 Regular Session of the Legislature, and Act No. 315 of the 1989 Regular Session of the Legislature is hereby amended and reenacted to read as follows:
