Baton rouge, LA 70804

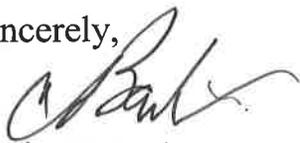

I am writing to you, to respectfully requesting that my voting District # 32, remain un-changed. As a resident of Allen Parish, I am concerned that our rural district will not be adequately represented if we are diluted across additional parish lines. Our unique rural way of life and its rich agricultural history are a mainstay in our parish.

District # 32, Representative, Ms Dorothy Sue Hill, is well versed on our issues and needs. We are a parish that is steadily growing, a place to raise a family and call home.

Please help District # 32 continue to progress by not changing our district lines.

Thank you in advance, for your consideration and assistance.

Sincerely,

Craig H. Barker
