Dear Mr. Speaker,

Please do everything possible to help Representative Alan Seabaugh to repeal the terrible redistricting action involving our Southern Hills which was just

taken. I am disappointed in Rep. Rick Gallot creating this awful action. We who live in Southern Hills have been working diligently to make this a good place to live, for a mixed-race group of people. This is our 35th year to own this home in Southern Hills.

I am not racist. My next door neighbors are a wonderful black family with two little children and another black family across the street from them. I have other black neighbors who also take great pride in their yards. We do not need this change and especially at this time.

My husband and I hope that we don't have to move again. We want Southern Hills to remain intact. Please help us.

Sincerely,

Josephine B. Allen,
