RE: Redistricting

Dear Sir,

I understand that you are trying to eliminate my district (81) which is represented by John LeBruzzo and merge the district into New Orleans. I am totally opposed to this idea and want to remain as an entire Jefferson district. You can place New Orleans in its own district or add it to your district. I am emailing this proposed change to everyone I know in this district. I will fight you tooth and nail on this new proposed district. Please have your office contact me regarding this proposed change.
