Subject: redistricting

Dear Chairman and Speaker,

I am concerned about the elimination of district 81 and combining it with a New Orleans district. We have different needs than the people of Orleans and I am concerned that a Representative to Handel two parish districts will be highly ineffective. This upsets me that it is even thought as a possible solution. It seems obvious that one person can effectively Handel one district with two parishes.

Please consider my thoughts.

Thank you,
Brandi Faucheaux
District 81
