RE: Redistricting
Natchitoches Parish

Dear Representative Gallot:

I live in Natchitoches Parish in the Cane River area and have been a resident of Natchitoches Parish my entire life and I am very proud to be a part of this community. It would be devastating to me and the people of Natchitoches Parish if the city and the parish were divided because of redistricting. The cultural and historic connection is unique to our region and is strengthened by a representative who has connections to the area. I strongly urge you to consider keeping Natchitoches in a single legislative district.

Thanks for your consideration.

With kindest regards, I am

Sincerely,

Mary Jones
