

## **MEDIA IDENTIFICATION BADGES**

(All applications are reviewed and must be approved before badges are issued)

Legislative media identification badges are a privilege and are issued as a security measure to salaried journalists working for a commercial or non-profit news outlet providing routine non-partisan coverage. The outlet must be recognized by the Louisiana Broadcaster's Association, the Louisiana Press Association (Active Membership, Individual Associate Membership or Associate Online Membership only) and/or National Press Foundation (or similar organization). The news outlet must verify the applicant's employment.

Applicants cannot engage in lobbying, advocacy, advertising, publicity or promotions for any individual, political party, corporation, business or government agency.

Media identification badges may expedite entry into the building and may give journalists access to designated press areas during proceedings of the legislature on a first-come, first-served basis when space is available. Media equipment must be compact and stationary so as not to disrupt traffic in the chamber, committee rooms, committee hallways and any other public space in the capitol.

***Press or Media badges issued by any other entity are not valid for entrance to the designated media areas of the Capitol.***

The cost of a new yearly identification badge is **\$10.00** per badge. The replacement cost for a lost badge is \$10.00. Once approval for the badge is granted, payment can be made via credit card during pick up, or by check/money order made out to Legislative Budgetary Control. (NO CASH ACCEPTED)

Approved badges are available for payment/pick up in the Capitol Security Office, Room 207, located on the 2<sup>nd</sup> floor.
