

The seal of the Louisiana House of Representatives is a circular emblem. It features a central figure of a pelican feeding its young in a nest. The pelican is depicted with its wings spread, and the nest is filled with several chicks. The background of the seal is a light blue color. The text "STATE OF LOUISIANA" is written in a semi-circle at the top, and "HOUSE OF REPRESENTATIVES" is written in a semi-circle at the bottom. The words "UNION" and "CONFIDENCE" are also visible, separated by dots. The entire seal is rendered in a light, faded color.

**The presentation will be
uploaded on or before the
scheduled hearing date.**
